- Front-end web application management
- Creative graphics design for organization's brand and clients
- Collaboration with social media team for successful campaigns
- Collaboration with health event management team for successful events
- Improving skills through tasks and projects

JULY 2016 – FEBRUARY 2017

AMPERSAND HI~TECHNOLOGIES, LAGOS – INTERN

- website and application dev. support,
- Network support
- IT support
- Network monitoring.

JANUARY 2014 – JANUARY 2015

GUARANY TRUST BANK, Ogun – INTERN (Transaction officer)

As a student intern, I worked with the transaction service group where I worked majorly with cash. I helped with processing customers deposit and withdrawal of cash. I also did help with the Automated Teller Machine (ATM).

VOLUNTEER EXPERIENCE

GDG, Ogun – *Member*

GDG is an acronym that stands for Google developer group. It is a group that brings developers from all parts to learn and share knowledge amongst them
